Dear Friends,

Dear Friends

It has been a great honour to serve as President of the ECR Party and to share with you such an important and rewarding journey.

I am deeply grateful for everything we have achieved together, for your trust and for the friendship that has always united us.

The time has now come for me to focus more fully on the challenges facing my beloved Poland. I have therefore decided to step down as President of the ECR Party.

This decision does not change my commitment to our political family. I will always remain close to you and will continue to support our common values and our work in Europe.

With gratitude and friendship,

Mateusz Morawiecki
